A Keepsake of Love

The desire to remember a lost loved one through mementoes and keepsakes goes back as far as human history.

Whether it's a locket of hair, a photograph, a letter or some other personal item, we've always felt compelled to remember those who've left us with something we can see and touch long after they're gone.

~

Precious Memories™ are keepsakes that allow you to remember the one who has passed in a truly unique and powerful way — with a tangible imprint that captures the unique impression every life makes on our own. Captured from an inked fingerprint, handprint, or footprint, each one is both unique and everlasting - preserving in precious metal every line and contour for countless generations to come.

Each item comes complete in a presentation box, with engraving and includes shipping.

Precious Memories are available in Sterling Silver as well as in 14kt. Yellow or White Gold.

Each Precious Memories™ Keepsake includes engraving on the back up to 3 lines (*maximum of 8 characters per line*). They are also available with 18" chains (*lobster claw clasp*), and with genuine birthstones or a genuine diamond set in the bail.

11

Any number of Precious Memories Keepsake — of different types and with different engravings — can be customized from the same impression.

We offer a beautiful variety of keepsakes to fit your needs and lifestyle, including:

- *Pendants*
- *Earrings*
- *Rings*
- *Charms*
