

BRITTANY NICOLE FERNANDEZ

September 11, 1991 - September 10, 2020

Brittany N. Fernandez (Britt) (28) was born on September 11, 1991 to her parents, Anna Perez and Juan Fernandez in Los Angeles, California.

Brittany was a daughter, sister, niece, cousin, aunt to baby Leo, and a friend to many. She was one of a kind. A ray of light in everyone's life she came into, Britt was always so full of life and brought so much joy and laughter to everyone around her. Brittany loved her family and her boyfriend Mark deeply and cared so much for her family and friends. Even through her own struggles in life, Britt always tried to put everyone before herself.

Brittany was called to heaven from a tragic accident on September 10, 2020 in a place she had instantly fallen in love with, Cancun, Mexico. The loss of Brittany's life has impacted many, which shows in the amount of lives she has touched in the short amount of time she had on this earth. She had so much more life to live, but it was time for God to call her home.

Brittany's memory will continue to live on in the hearts of her loved ones and is survived by her friends and family, parents (Anna Perez and Juan Fernandez), brothers (Juan Jr. and Adam), sister (Emily Fernandez), and boyfriend (Mark Lopez).

Brittany is preceded in death by her grandpas, Jesus C. Perez and Jose Fernandez.

Comments

“ I remember Brittany way back from 2007 at Schurr HS. School had just started and I didn't know anyone. I was waiting in the back of the school to be picked up and out of nowhere Brittany started talking to me. She was so sweet and caring and made me so happy that I made a friend. Throughout the rest of our high school years I'd see her in the halls and we'd always wave hi to each other. Though I only really talked to her that one time, she had made such an impact with her big heart and smile.

Rest in heaven, Brittany <3
