

## EDWARD PAUL MORAZA

May 28, 1966 - July 18, 2020

Edward Moraza passed away on July 18, 2020 unexpectedly. He was 54 years old and leaves behind his loving wife Jennifer and their two beautiful children, daughter Taylor Michelle, age 14, and son Ryan Nicholas, age six. He also leaves his mother, Anita Moraza, his sister, Pamela Blancher, his brother, Daniel Moraza, and his sister-in-law, Staci Moraza, as well as his nieces, Christy Stevens, Lacey Blancher, and Breanna Blancher, and his nephews, Jacob Moraza and Zachary Moraza. Ed was a dear friend and colleague to many. He was a loyal son, a devoted father, a loving Nino and brother, and a beloved husband.

Ed's favorite moments were spent shopping with Taylor, playing with Ryan, riding his motorcycle, going for long drives with his wife, helping people, and making people laugh. He had the best sense of humor, and loved laughing at his own jokes. He was always willing to help someone in need. Ed was loved by everyone who knew him and will be terribly missed.

If you would like to support Jennifer, Taylor and Ryan during these uncertain times please know that any amount is appreciated tremendously. Thank you.

“ We met Ed when we hired him to tile our 2 bathrooms, our kitchen & our office floors. We trusted him right away & gave him a key to our home. He always had a smile on his face & a twinkle in his eye. He nick named me the "Inspector General", because when I got home from work each day , I would go around and see what was done that day. One day I got home to find Ed standing chest high in the bathroom where the toilet had been that morning. He told me with a straight face that it would be this way for a couple of days. He knew I would freak out. I didn't want bugs and critters coming into the house. He and my hubby laughed and laughed . He had already cut the plywood to cover the hole. He had waited till I got home to play this joke on me. For the time he worked at our house we considered him part of the family. Our thoughts and prayers are with his wife and his children and his family and friends. He was a dear man.

“ Growing up with Ed, I remember his laugh and smile. My friends always wanted to make sure he was attending a family gathering, so they could see him. I remember camping trips with dirt bikes and ATVs and being too loud at our grandparents' house. Now, I think about how he married Jennifer and became a wonderful husband and a devoted dad... and still had a great motorcycle. I will miss you Ed. May perpetual light shine upon you.

“ I have an office at Bixby Executive Center and I always loved running into Ed. He was so funny, kind and always had a fabulous smile on his face that was contagious...He would always go out of his way to do "extra" things to help that weren't part of his job. I remember one incident when Ed knocked on my office door and said, "Jennifer, I noticed your tire is almost flat- you can't drive home on that tire". Instead of suggesting I call Triple A, he proceeded to get his tire pump and pump up my tire so I could safely get home... this is one example out of many where he went above and beyond....he reminded me of my father, who I loved so dearly...I wanted to share a quote that I wrote in my memorial to my dad and say it in memory of Ed..."Fill not your hearts with pain and sorrow, but remember me in every tomorrow. Remember the joy, the laughter, and the smiles...So dry your eyes and remember me, not as I am now, but as I used to be. Because I will remember you all and look on with a smile. As long as I have the love of each of you, I can live my life in the hearts of all of you".

He was such a special person and I feel blessed to have known him....I will miss him so much...My condolences to his family and friends...

with love, Jennifer Dugan

“ I met Ed when I worked with Jenn at Ortho Group of Long Beach. Every time I saw him in or out of the office, he always had a contagious smile. I enjoyed knowing him. He always enjoyed it when I made banana bread because I would always make an extra loaf for Jenn to take home to him. You will be missed. Prayers to Jenn, Taylor, Ryan and the rest of the family!

“ I met Ed at the Office building in Bixby. He was such a nice and helpful man since day one. Always would come in with his big smile even when he was really busy his smile remained the same, he was my buddy and I am going to miss seeing him so very much. He would try to come in my office often to say hello and check if we needed anything.  
I will continue praying for everyone that knew him and specially for his children and family.  
Rest in peace kind man

“ I met Ed while working on the remodel of the Bixby Business Center. He knew where everything was on site and would help me without hesitation; no matter how busy he was at the time. I loved seeing his smile, it warmed my soul. Ed will be missed by so many. My heart goes out to wife, daughter, son and all of Ed's family.

“ Knew dude since 3rd grade. The stories, the laughs, life with Ed Moraza..... to much to write but I'm laughing as I type this. We started our first band together right out of High School. We were metal heads from a young age . Dude always had jokes and could always make you laugh. If he didn't like something it was a simple "Nope" and that was the end of that. You'll be missed by many..... Get some rest up there cause when we meet again your gonna be tired. RIP.
